Spring into Action

Scout Shout

Cubmaster's Corner

Hi everyone!

I was so proud of each and every scout at our Pinewood Derby this past March. You all exhibited good sportsmanship, excellent manners and character. These are not only important traits in Cub Scouts, they're important traits for EVERYBODY!

Our theme and purpose this month is *SPRING INTO ACTION* - get more exercise, be happy and spring into action for others! Cleaning up litter, planting trees, or helping other people are just a few ways that you, as Cub Scouts, show the world that you care and are good citizens. I thank you and salute you for your hard work making this world a better place to live in!

See you soon!

Cubmaster Brian

“Den 3 Rocks!!!!”

Den of the month Den 3

Leaders Kyle R. and Cherie G.

Den 3 Rocks! This has been our cheer for the year as we have been busy Searching, Discovering, and Sharing. We have done so many fun things this year and really bonded together as a den. We have visited the Hartford Police Department and Fire Department, we had a great time at the Mil-

waukee Public Museum, recording our voices at WTKM, ice fishing on Pike Lake, taking hikes and practicing our leave no trace at Woodlawn park, and this month getting a tour of the Army Aviation Support Facility in West Bend as well as the Hartford Savings Bank. If this is what it has been like to

be Tiger Scouts, we can't wait to see what Wolf holds in store for us!

Thanks,
Kyle R and Cherie G
