Cubmaster Corner

Hi Scouts!

Can you believe it's October already? Time for ghosts, goblins and POPCORN!! I know you're all doing your best to sell popcorn for our Pack. Thank you to everyone for all their hard work. It's not easy, but I'm sure you'll all do a great job!

Our theme for this month is Jungle Sa-

fari. There are many different animals in the jungle and as I look at Pack 3794, I can see many different families. Each family is unique in its background and ex-

periences. But all of you have come together in this pack to share an important experience - partici-

pating in a program that is designed to give each boy positive growth and experiences. Your scout ad-

vances in this program because of the support and help he gets from the adults in his den and in his home.

Thank you for your help on his road.

See you soon,

Pack meeting

Birthdays

1st Year Webelos (We'll Be Loyal Scouts)

We have been very busy this year. We

had a fun summer that included a fun camp-out at the Quadgraphic camp. We had a site that overlooked holy hill. We used our buddy burners to make hamburgers and we cooked eggs in a paper bag!!! We had a string burn, fished, hiked and even survived a strong storm. It was lots of fun. As our den grows each year it is fun to see how we all change and mature. Since fall we have been working hard on flag ceremonies and completing projects to help us earn our or Webelo badge. Of course we all have been busy selling popcorn. Looking forward to Raingutter regatta,too1 Until next time,
