Irish Derby

Top O' the morning to you all. Well we had a very successful and entertaining Blue and Gold celebration together. We witnessed the end of the journey for Den 9 in Cub Scouts and their beginning of a new one into Boy Scouts. March is here and spring is around the corner. Time for us all to continue our own journey's. We'll be competing this month in our Pack Pine Wood Derby. I can't wait to see all the cool designs and of coarse who has the ingenuity to be king of the track. We have a a lot of veteran car builders and quite a few new comers. Have fun building those cars and no matter the results, just know that you all DID YOUR BEST!!! Always strive for that Pot O' Gold at the end of the rainbow. Oh and remember that Luck isn't just for the Irishman...HAPPY ST.PATRICKS DAY!!! See you at the races.

RESPECT is the core value of the month of March. The simple definition for respect is showing regard for the worth of someone or something. Now that is a definition that is hard to understand on the words alone. We show respect in many ways. We respect our parents and other adults. We respect our belongings as well as other peoples property. We respect ideas like religious beliefs, political beliefs, and what people like or dislike. We respect ourselves by taking care of the body and mind God created

for us with exercise and learning. We respect organizations we belong to like wearing the proper neat, clean uniform in Cubscouts, participating in events in your community, and living up to the Constitution of The United States of America as a citizen of this country. The easiest way to explain that definition is the *Golden Rule*. Treat others and other things the way you would want to be treated.

This is one of the easiest and most powerful ways you can live your life; With RESPECT.
