PACK 3794

## CUBMASTER CORNER

### Crossing Over Into the Future

Hello all Scouters,  
Well here we are, coming to a completion of the Scouting year. Spring has sprung and baseball has begun. Everyone had a blast swimming at the Pack Swim and we met some incredible new Scouts and families that started their new journey in Scouting with Pack 3794!!! We'll have a good group of new Tiger Cubs forming DEN 7 going into the summer. Please take the time to make them feel welcome and give them any help needed with their journey. May Pack meeting is always one of my favorites!!! Just like a good book we now turn the page on the next

chapter of our lives. Crossing over into your next rank is a big deal. You will all be taking on more work, responsibility, but most of all oppor-

tunities and FUN!!! I love to see you all grow and learn from one year to the next. I hope you all realize

that each year you move on, the more others look up to you. Please continue to grow and show the younger Scouts what it means to follow the Scout Promise and the Law of the Pack. I hope you have a wonderful Summer and can't wait to see you participate in all the wonderful outings the Pack has planned. Especially SUMMER CAMP!!! See you round the campfire...

Cubmaster Jeff

this is a word that has so many places in our lives. You have responsibility at home,

### C.ore V alue O.f the M.onth

**RESPONSIBILITY** is fulfilling our duty to God, country, other people, and ourselves. Being responsible is being dependable and doing what you say you will do. Wow

at school, in Scouts, in your community, in the world, and most of all to yourself. Your parents give you the responsibility to keep your room clean or brush your teeth, or help your siblings, or just to do what is right. THIS is the greatest responsibility. Doing what is right and doing what you say you are going to do. If we don't accept these two responsibilities, any-

thing else we do will be affected for the worse. As a Cubscout you have accepted a little more responsibility than the average boy. Each time you live up to your responsibilities you become a better person...

**PACK MEETING THIS THURSDAY MAY 17TH-IMPORTANT INFO.!!!!**

Our May pack meeting is one of our most important meetings of the year, with the boys crossing over to their next ranks in Scouting. With that in mind, we love for the boys To Look Their Best in their full class A uniforms. A guide for patch and pin placement is available here <http://www.scouting.org/filestore/pdf/34282.pdf> As a pack we do not require the Scout pants, socks, belt, or hat. After taking a break for a couple of months from uniform drawings, they will resume tonight. Remember in order to receive a uniform ticket you must be on time to the

meeting (arriving prior to 6:30pm) and in your full uniform.

## **Openings for Pack 3794**

**#1 Leader for Den 7**

**#2 Activities Coordinator**

**#3 Scout Shout Publisher** as this is my last shout. I will continue to do the birthday cards but I have decided to cut back on a few of my activities because I feel I am spending way too much time on the computer with my role as ICU educator for work and many other volunteer activities. I have been neglecting my children especially my 3 year old. Please let myself or Melissa Richards know if you are interested.
