Jason Richards

Ben Einwalter

Parents

Joe Becker

Laura Stedman

Den of the Month = ?

Den 2-Leaders Randy Kohlman and Chris Johnson

With blue and gold fast approaching we are currently working on rank advancement. In the next couple of weeks the boys will work on earning their whittling chips. They are all excited anticipating their first real knife. Last week at the den meeting the boys had a visit from the Hartford fire department. Then they went on a tour of the fire department. Then the burning question was answered... What is the tower at the fire department? We found out the tower is actually used to hang dry fire hoses!
